Board President Report

Bill Richardson

Here's hoping you had a Merry Christmas and wishing you a Happy New Year!

This will be my last Tidbits article as President. It has been an honor to serve Bonfire over the past three years. Thanks to everyone for their support when things went right, and your forgiveness when things went wrong. I've been blessed to have a great and talented Board to work with. Thanks to each one of them as well. I also want to thank our Bonfire employees, Sharon, Joe and Denise for all they've done.

We have two new Board members taking their seats in January. Please welcome Paul Shortsleeve and Mike Micallef. Thanks to both of you for stepping up to serve Bonfire.

Special thanks to Mike Williams and Graham Wilgus who will be leaving the Board in January. Bonfire has certainly benefited from their service.

The annual Shareholder's Meeting will be Saturday, January 12, 2019 at 9:00 am. Please plan to attend, or send your Proxy to the Bonfire Office. We have several important issues that will need Shareholder approval.

Note: The next Board Meeting is scheduled for Wednesday, January 16, 2019 at 9:00 AM

Bonfire Utilities Team Report

Graham Wilgus

The Utilities Team has had a very busy 2018. During the spring, the team investigated concerns and planned projects. The following were the major projects and activities.

Water Line Improvement Program

In July, 320 foot of new line were installed to improve the durability of our water delivery system. Now when a problem occurs, it can be rapidly isolated and repaired, without affecting other portions of Bonfire. The number of Red Flag shutdowns decreases. This program will continue into 2019 with a less aggressive but, equally beneficial plan.

The Waste Water Treatment Facility Has Two Plants

Plant #2 has two blowers operating on a duplex system. This summer the one blower failed and was replaced. As designed, the other blower was able to cover the entire load, without interruption. Plant #2 does not have the capacity to support Bonfire, by itself, during the winter months. Plant # 1 had only one blower. A second blower was installed in November and is now in operation.

Waste Water Treatment Facility – Spray Field Pumps

The #2 Spray Field Pump failed in mid-December. It was replaced after Christmas.

The #1 Pump has the capacity and carried the entire load, during this downtime.

Hurricane Preparedness – for the Utilities

The Team developed, reviewed and updated the Pre-and Post-Hurricane Procedures for the Utilities. For after Hurricane recovery, we now have all of our Waste Water System either hooked up to, or prewired for fast hook-up, to a generator.

Repairs - Waste Water Lines and Lift Stations & Water Lines and Valves

Two Lift Stations were dismantled and unplugged (foreign debris). Several manholes were cleaned (some from foreign debris). Several sewer lines were unplugged, usually roots.

Several water line breaks were repaired; usual causes, roots or heavy equipment. Several water valves were replaced, some leaks and some broken (improper wrench).

Social Club

Dance Committee News

Sallie Thayer

Please bring your own drinks and snacks to the dances.

It has been a busy and productive year for the Bonfire Dance Committee. We've had a lot of fun planning the events and choosing entertainers for them. We often went in groups. Sometimes, we split up and went to different music venues. We heard good music, we happened upon some good food, we learned about our community and surrounding counties, we danced and we made new friends. As we listened to the entertainers, we rated them based on criteria we had all previously agreed upon. Basically, we wanted them to play well, sing well, present themselves well as a band or entertainer, be affordable, and play a variety of music that was danceable. We hope we have made your year a little bit brighter with our choices. Committee members, Deanna Barnhill, Joanne Leddy, Christine Sears, Sharon Elder, Jackie Twiddy, Mike Williams, Marti Ogborn, Debbie Andrade and Faye Hensley and myself have carefully considered your feedback in making our selections.

The Committee would like to thank the following people for their help with event activities, i.e., setting-up tables, admission, and other various activities necessary for organizing and facilitating a dance. Thanks to Barb Huck, who we could always count on to pitch in and help whenever and wherever needed. Thanks to Chris and Connie Leesburg, Lynn and Mike Harlan, Dave Sears, Tom Boyle, Barbara Herald, Mona Watkins, Byron Thayer, Jerry Ogborn, and Larry and Debbie Cross for your help. Also, thanks to Social Club officers, Shirley Byrd, Leslie Decator, Donna Kelly, Karen Van Matre and Joyce Walrath for your guidance and help. There may be others whose names I have failed to mention, but please know that the Committee appreciated your help, too. Most of all, thanks to the residents who bought tickets, brought food and participated in the activities. None of it would have been possible without your participation.

The Committee encourages residents to get involved. New members are essential for fresh ideas that will keep events interesting and fun. A sign-up sheet will be available at the Annual Social Club Meeting, January 19. Sign up, you won't be sorry.

We will soon say goodbye to 2018 and welcome 2019. It is sure to be a great year. Our first dance of the year, Saturday, January 26, 7:00 – 10:00 pm will feature Copper Canyon Renegades. They are sure to please with their rockabilly country and classic rock style. Get on your dancing shoes and come join us. Happy New Year!

Bonfire Directory

Your 2019 Directory will be assembled and delivered this month. Please look at your listing to see if it is correct and up-to-date. For changes, use the Directory form available in the office or print it out from our website (Bonfiremhp.com) under the RESIDENTS ONLY/ FORMS. The user ID and password for the RESIDENTS ONLY section can be found in the front of your Directory.

After the Board of Directors' meeting in January, you can add the new officers and directors to the pages provided. There is also a place to put the Social Club information after the meeting and elections in January.

This newest Directory form contains a section for a second signature which gives permission for the website, etc. to display a photo with your picture in it. This was recommended by the Website developer. It will be necessary for everyone to complete a new form (due to this requirement) unless you have already done so in the past few months on that new form. Please contact John & Joanne Leddy for any questions.

Calendar of Events

BIRTHDAY HAPPY HOUR:

Our 1st Birthday Happy Hour was a huge success. Happy Hour is a chance to meet new people and get to know others better. We shared drinks, snacks and birthday cake with 4 of our December Birthday residents attending. We look forward to more celebrating at our next Birthday Happy Hour January 16th from 4-5:30 pm.

CHRISTMAS EVE VIEWING & LUMINARIES:

Oh what fun it was to laugh and sing as we watched the golf carts go by. Thank you to those that took time to decorate their golf carts and drive thru the neighborhood. 1st Place in the Golf Cart Decorating Contest was a tie: Bill Woodcock (aka Santa Claus) & Ken Dixon (aka Mrs. Claus) were seen cruising thru the park handing out candy canes and Christmas cheer while Shirley Byrd and her grandson converted their golf cart into a red sleigh filled with presents. Oh what fun it was to laugh and sing as we watched the golf carts go by. Thank you to those that took time to decorate their golf carts and drive thru the neighborhood. Many homes lit the way for Jesus and Santa to find their way with luminaries. The visual was stunning!! We would like to congratulate the following homeowners for the best Outdoor Christmas decorations: 1st place to Mark & DeDe Bafia and Honorable Mentions going to Linda Bergman. A special thank you to those residents that handed out Christmas goodies and drinks that night.

Flea Market

This year's Indoor Flea Market is February 2, 2019 from 8:00 AM until 2:00 PM.

Sign-up sheets are in the Clubhouse until January 15. A lottery will be drawn on January 19 after the Social Club Meeting for one table each until all tables are filled. Tables will be \$5.00 each. This will be done by Ramona Richardson and DeAnna Barnhill. If there are tables left, the names of anyone who requested a second table will be put in a second pot and a lottery will be drawn until any remaining tables are filled. No payment will be accepted until after the lottery is done. Weather permitting, there will be one or two tents set up in the area outside the back door. These tables will be assigned after the tables inside are all assigned.

Tables will be setup at 4:00 PM the day before and table numbers will be assigned at that time.

A breakfast/lunch will be available for purchase. Baked goods will also be for sale.

Lots of help will be needed for setup for the Flea Market.

Contact Ramona Richardson or DeAnna Barnhill for questions.

Thank you.

Health Committee Report

Faye Hensley

We are now in the middle of flu season. A flu vaccine is the best way to protect yourself and your loved ones from the dangers of the influenza and its severe complications. If you haven't had a vaccine, it's not too late. Click on the link below to locate a clinic where you can get one.

In addition to getting vaccinated, there are several precautions you can take to prevent the spread of influenza and other respiratory diseases. These precautions are particularly important because here in Bonfire, we gather frequently in groups for meetings, games, cards, and celebrations. To avoid the spread of germs:

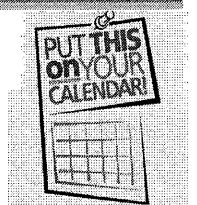

Avoid close contact with people who are sick, particularly hand-shaking and when they are coughing.
Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand cleaner.
Clean and disinfect surfaces that you touch frequently.
Stay home when you are sick, particularly if you have a fever.
Cover your mouth and nose when sneezing and coughing. If you don't have a tissue, cough or sneeze into your upper sleeve or elbow, not your hands.
