### Social Club PowWow

The Social PowWow will be one hour each month. This month it will be on **October 15 at 11:00 AM**. This will be one hour each month on the calendar for you, the members of the Social Club, to let everyone know what is on your mind. Also, it will be an opportunity to find out about the upcoming activities. And, yes, it will be a time for you to become involved in areas that interest you. We hope this time will help the Tidbits Editor to gather the information needed to publish the Tidbits each month. Please check the calendar and the marquee for the date and time.

---

### Bingo Night Help Wanted

We encourage everyone to bring a snack/treat periodically to Bingo Night to share with all. We're also looking for help calling Bingo, helping out beforehand with setup or afterwards with cleanup. Please let Leslie Decator know if you are willing to help.

## Bonfire Social Club Event Group on FACEBOOK

Please add the Bonfire Social Club Event Group to your "Groups" list on Facebook and follow us for upcoming Social Club Events. This is where you'll find the latest events that we are planning for Bonfire. These events may be dinner out at a local restaurant, going somewhere to listen to a band or even going to the movies. This page is not our personal FB page; this page is for Bonfire residents. Our goal is to get residents out of their homes and enjoying the "retired life" while also offering them a ride if they need one. We also appreciate comments about events whether they are past, present or future. We encourage input from you so that we can plan a better winter season for all to enjoy.

## Dance Committee News

*Co-chairs: Karen Van Matre and Debbie Andrade*

*Please bring your own drinks and snacks to the dances.*

Besides the usual Monthly Dances during the season, we are having a 50's SOCK HOP November 23rd (be sure to pack your poodle skirt, Varsity/Letter jacket, saddle shoes & bobby socks) and a NIGHT OF ROCK'N ROLL March 14th. We're thinking your favorite rock bands t-shirt (Metallica, Rolling Stones, etc.). While you're searching the closet for these items be sure and grab what you'll need for your act in the *Bonfire Variety Show* in February. Show off your talent by singing a song, being part of a skit, playing a musical instrument, wowing us with magic tricks, or making us laugh with a stand-up comedy routine, the list is endless with the amount of talent we have in Bonfire Village.

## Directory Info for Bonfire

- Please look at your listing in the 2019 Directory. It will be the same in the 2020 Directory unless you submit a new Directory Form to the office. The Form is available at the office and also on our Website at: <http://www.bonfiremhp.com/residents.html> (User name and Password can be found in your Directory). The form can be printed out anytime at home. Fill it out and sign in two places and you are all set to turn it in at the office or at the "office drop box" located in the back corner of the clubhouse near the popcorn machine.
- In case you didn't know...we must have your signature on the Directory Form in two places. The first is for the Directory. We may publish the unit number's names and Bonfire address without the form, but nothing more. By signing you allow your other information to be published in the Directory.
- The second signature is to allow group and events photos that include you to be published on the website or in our newsletter "Tidbits". This was suggested by the Webmaster and we are trying to comply. Thank you to all who have done this already.
- We have decided to try recycling old directories. The plastic coil binders can be reused, and the old cardstock covers are used for a few steps in the process of getting them printed and ready for delivery. A box for collecting your unwanted Directories can be found on the shelves near the water fountain at the clubhouse.

Thank you again for your attention to this matter.

**Suggestions Appreciated for the 2019-2020 Event Calendar**

Thank you to everyone who has given us suggestions on what to do this upcoming Winter Season. We've compiled quite a list and have put them on the 2019-2020 Event Calendar which is in this issue of the Tidbits. Activities that are in **BOLD** print are ones that are happening at Bonfire. Details of each will be placed in upcoming issues. Please be sure to read and keep a copy of the calendar so that you know what is happening. Highlight those that you're interested in, we'd hate for anyone to miss out. The calendar may change due to circumstances beyond our control.

**Health Committee Report**

*Faye Hensley*

**SENIOR HEALTH ISSUES**

**1. Chronic health conditions**

According to the National Council on Aging, about 92 percent of seniors have at least one chronic disease and 77 percent have at least two. Heart disease, stroke, cancer, and diabetes are among the most common and costly chronic health conditions causing two-thirds of deaths each year. The National Center for Chronic Disease Prevention and Health Promotion recommends meeting with a physician for an annual checkup, maintaining a healthy diet and keeping an exercise routine to help manage or prevent chronic diseases.

**2. Cognitive health**

Cognitive health is focused on a person's ability to think, learn and remember. The most common cognitive health issue facing the elderly is dementia, the loss of those cognitive functions. Approximately 47.5 million people worldwide have dementia—a number that is predicted to nearly triple in size by 2050. The most common form of dementia is Alzheimer's disease with as many as five million people over the age of 65 suffering from the disease in the United States. According to the National Institute on Aging, other chronic health conditions and diseases increase the risk of developing dementia, such as substance abuse, diabetes, hypertension, depression, HIV and smoking. While there are no cures for dementia, physicians can prescribe a treatment plan and medications to manage the disease.

**3. Mental health**

According to the World Health Organization, over 15 percent of adults over the age of 60 suffer from a mental disorder. A common mental disorder among seniors is depression, occurring in seven percent of the elderly population. Unfortunately, this mental disorder is often underdiagnosed and undertreated. Older adults account for over 18 percent of suicides deaths in the United States. Because depression can be a side effect of chronic health conditions, managing those conditions help. Additionally, promoting a lifestyle of healthy living such as betterment of living conditions and social support from family, friends or support groups can help treat depression.

**Final note:** Everyone at Bonfire loves being social, but if you have the ‘sniffles’ or ‘just a cold’, PLEASE do not touch anything that others will subsequently touch. Do not hug everyone, even though we are all happy to see each other again. Some of us have weakened immune systems and it doesn’t take much to get sick. There are several sanitizer dispensers around the clubhouse, please use them. THANK YOU!

**OCTOBER EVENTS**
